Időjárás és évszakok: 90 angol szó

A2 szint · 90 szó

Írja le az időjárást, az évszakokat, a hőmérsékletet és a körülötted lévő természetet.

Időjárási viszonyok

SZÓ	JELENTÉS	ANGOL MEGHATÁROZÁS	PÉLDA
weather noun · /ˈwɛðər/	időjárás	The state of the atmosphere at a specific time and place.	The weather is very sunny and warm for this season.
sunny adjective · /ˈsʌni/	napos	Full of bright light from the sun, with few clouds.	It was a beautiful sunny day, perfect for a walk.
cloudy adjective · /ˈklaʊdi/	felhős	Covered with clouds; not clear or bright, often indicating rain.	It was a cloudy day, so we stayed indoors.
rain noun · /reɪn/	eső	Water droplets that fall from the sky as liquid precipitation.	The heavy rain flooded the streets in the city today.
rainy adjective · /ˈɹeɪni/	esős	Having a lot of rain; characterized by frequent rainfall.	We stayed inside on the rainy day, playing board games together.
snow noun · /ˈsnoʊ/	hó	Soft, white flakes of frozen water that fall from the sky.	The children loved playing in the fresh snow that fell overnight.
snowy adjective · /ˈsnoʊi/	havas	Covered with or marked by snow; having a lot of snow.	The children loved playing outside on the snowy winter day.
windy adjective · /ˈwɪndi/	szeles	Having a lot of wind; characterized by strong air currents.	It was a very windy day, so we stayed indoors.
wet adjective · /wɛt/	vizes, nedves	Covered or saturated with water or another liquid; not dry.	My clothes got wet in the sudden rain.
dry adjective · /dɹaɪ/	száraz	Free from moisture or liquid; not wet or damp.	Please use a clean and dry towel to dry yourself.
sunshine noun · /ˈsʌn.ʃaɪn/	napsütés	Direct light and heat from the sun in the open air.	We spent the whole day enjoying the warm golden sunshine.
storm noun · /ˈstɔɹm/	vihar	Bad weather with strong winds, heavy rain, or snow, often with thunder.	A severe storm caused power outages across the entire region last night.
stormy adjective · /ˈstɔːrmi/	viharos	Characterized by strong winds, heavy rain, or other bad weather conditions.	The sky looked dark and stormy this morning.
fog noun · /ˈfɑg/	köd	A thick cloud of tiny water droplets suspended in the air near the ground.	The dense fog made it very difficult to see the road ahead.
foggy adjective · /ˈfɑgi/	ködös	Filled with or covered by fog, making visibility difficult.	It was a very foggy morning, so driving was quite dangerous.
humid adjective · /ˈhjuːmɪd/	párás	Containing a high level of moisture or water vapor in air.	The air feels very hot and humid this afternoon.
mist noun · /ˈmɪst/	pára, enyhe köd	A thin cloud of tiny water drops low in the air.	The morning mist made it difficult to see the road clearly.

Időjárási viszonyok

SZÓ	JELENTÉS	ANGOL MEGHATÁROZÁS	PÉLDA
drizzle noun · /ˈdɹɪzəl/	szitálás, szemerkélő eső	Very light rain, often falling in fine drops, not heavy.	It was only a light drizzle, so we didn't need our umbrellas.
thunder noun · /ˈθʌndər/	mennydörgés	The loud booming sound heard after a flash of lightning.	The loud thunder shook the windows of our small house.
lightning noun · /ˈlaɪtnɪŋ/	villám	A sudden, bright flash of electricity in the sky during a storm.	We saw a huge flash of lightning during the heavy rain.
thunderstorm noun · /ˈθʌndəˌstɔɹm/	zivatar	A storm with lightning, thunder, and usually heavy rain.	We stayed inside during the thunderstorm because of the heavy rain.
hail noun · /heɪl/	jégeső	Small balls of ice that fall from the sky like rain.	The hail was so heavy that it damaged our car.

Hőmérséklet

SZÓ	JELENTÉS	ANGOL MEGHATÁROZÁS	PÉLDA
